Booking Maria Marsala for Speaking/Media Appearances

Currently, Maria Marsala receives numerous inquiries to speak. Due to time constraints, we have to turn down some events. If you would like Maria Marsala to speak at your event, we will need you to complete the following steps:

Step One:

Complete the Speaking Event Worksheet below and send it to the email address listed on the form with the words **SPEAKER REQUEST** in the subject line. Due to time constraints, we will not be able to take phone call inquiries without this first step. We will send you a reference number via mail.

Step Two:

Once your form is on our records, our office representative will contact you. At that time, you are also free to call Maria directly at 425-440-9659 with the reference number to discuss the event.

We look forward to working with you.
